Link Age Southwark

Communities supporting older people

Link Age Southwark is a vibrant local volunteering charity, supporting over 550 isolated, older people in Southwark. We recruit, train and manage hundreds of volunteers a year to support older people who would otherwise be isolated and lonely.

The huge impact of our work on the lives of older people in Southwark is well-recognised, and we are proud to have been named Charity of the Year 2017 in the Southwark Stars Awards.

Our services include:

- One-to-one befriending visits – a cup of tea and a chat for an hour a week
- Activity groups including singing, gentle exercise and bridge
- Wheelchair accessible and volunteer transport
- Practical support including light gardening and odd jobs in the home

As a small local charity we really appreciate the value of every penny donated to us, to support our work with volunteers to help older people thrive.
